5 Bedroom, 2.00 Bathroom, 982 sqft
Residential on 0.12 Acres

Huntington Hills, Calgary, Alberta

This detached bungalow has been very well cared for. Whilst he has lived here, the proud owner has completed some wonderful updates.

To mention a few - stainless steel appliances, hardwood floors throughout the main floor, updated bathrooms, new doors and a new window in the front, exterior painting, a new house roof in 2020, and a new roof on the garage and shed this year.

There are 3 bedrooms upstairs and two extra bedrooms down (original windows are not to code) The basement has a gas insert fireplace in the large family/rec room. In addition to the cold room, the utility room is large enough for additional storage. The newer vacuum system, washer and dryer are also included, as can the alarm system (monthly fee)!

In the backyard, there is a detached garage (width - fits 2 small cars but it is extra long too) and a large storage shed. From your rear deck, you look at a lovely green space with a playground. The front yard has a long driveway for extra vehicles. This is a lovely, quiet neighborhood, and just around the corner is Nose Hill Park for those lovely long walks!

Built in 1971
